

Fencing Crew Member

Martin Fence & Repair originally known as Hometown Maintenance & Repair is a family owned company that has been providing professional fencing installation and repair services to the Whitley County area for over 20 years. We strive to provide exceptional quality service and integrity. We are looking for self-motivated individuals who are trainable, flexible, and reliable who want to join our family. Must tolerate working in different weather conditions. Applicant does not need to have experience in this field for general labor. Prior experience operating small equipment is a plus but will train. Valid driver's license is a requirement.

Work hours: Seasonal Part time - Spring, Summer and Fall months

Pay rate will be \$10-\$15 plus bonuses based on experience and persons demonstrating proper use of equipment and respectfulness to the job at hand.

Please submit your resume to martinfencerepair@gmail.com
