****NOW HIRING INSTALLATION TECHNICIANS****

Pay range is \$11 - \$15 (depending on experience)

Copsgear in Columbia City Indiana is looking for dedicated individuals to add to our team. We are looking for talented people to work in our Installation facility. Applicants can apply by sending a resume to our Columbia City Location via Facebook, Email, or Walk-ins. Applicants will or should have general knowledge of 12 volt wiring.

Copsgear is one of the Midwest's Leading Public Safety Outfitters. Providing quality products and amazing installations that protect the people of our communities and our public Safety Professionals while on duty. We take pride in our craftsmanship and workmanship. Keeping our First Responders and Law Enforcement noticed while responding to the call.

Positions are for Emergency Vehicle Equipment Installers, Assemblers, and Testers. You will be working on Police, fire, and Sheriff Vehicles and communications systems. Items included are Police In-Car Video Systems, In-Vehicle computers, Emergency Lighting, Vehicle Storage boxes, Light-bars, Antennas, Consoles, Vinyl Graphics, Window Tinting. We also do many other things related to this industry as well.

Applicant must: have good work history, be able to follow rules and policies, have a reliable vehicle, be at work on time, and have general tools knowledge (training is provided if needed). Applicant must have a clean driving record and NO CRIMINAL RECORD. These positions require lifting, laying, and climbing. You may be requested to work some weekends, evenings, nights and occasionally some overnight stays (not often).

We are a growing company and are looking for great individuals to grow with us. Submit your salary requests with your resumes today! We look forward to hearing from you!
